

Job Description: Engineering Lecturer (Electrical & Electronics)

Role Specific

1. Teach within the Engineering team on a range of programmes, delivering effective learning for students particularly in Electrical/ Electronics
2. Be up to date to plan, deliver and assess high quality teaching as required by your Line Manager to the appropriate number of hours (810 hours per annum)
3. Develop and share resources for the course/subject
4. Deliver enrichment and enhancement activities
5. Complete required assessment duties in relation to student assignments
6. Maintain comprehensive, up to date, records and provide information as requested using College systems to track and communicate student progress
7. Be responsible for the appropriate administration of exam entries and liaise with external awarding bodies, as appropriate
8. Ensure close liaison and good communications with colleagues and managers across both academic and pastoral elements of the role
9. Act as a Personal Tutor, if required
10. Value and support students to achieve their full potential and support team targets
11. Effectively manage the behaviour of students
12. Engage in curriculum development and planning activities, individually and as a team
13. Embrace the College ethos that every student will achieve their full potential
14. Participate in standardisation/verification and moderation, as required
15. Ensure provision is aligned with best practice nationally
16. Take responsibility for achieving the section's targets in retention, attendance, achievements, high grades, added value and student satisfaction
17. Positively represent the College both internally and externally at all times

College Responsibilities

1. Share the College's Vision, Mission, Values, Behaviours and communicate them effectively
2. Participate in Staff Review and Professional Development activities and be actively involved in the College's culture of high expectation
3. Value diversity and promote equality
4. Engage in marketing activities and liaison with employers and the wider community in line with College strategies
5. Contribute to cross-college events
6. Adhere to College policies and procedures including health and safety
7. Ensure good communication at all levels
8. Be responsible for safeguarding and promoting the welfare of children, young people and/or vulnerable adults
9. Any other duties that the Principal considers appropriate
